

## **Nipun Jasti: Curriculum Vitae**

### **Address:**

1/33 Somerset road  
Mt Roskill  
Auckland, 1041  
New Zealand

**Phone:** 096204999

**Mobile:** 0210545405

**Email:** nipunjasti@gmail.com

### **Personal Statement**

I'm a student currently studies at University Of Auckland; I am cooperative and hard-working, friendly and confident amongst people. I speak Telugu (a language spoken in south India) fluently, which will be a language bonus when confronting customers who speak the same language. I am also fluent in English and have passed the entry requirement for English for Engineering at University Of Auckland. I am great when talking to people and have great verbal communication. I am determined to prove myself and will handle any responsibilities which is assigned to me.

### **Skills**

#### **Leadership**

In my previous years I had the opportunity to undergo the Stand Tall Leadership Program. This program helped me to develop my leadership skills, public speaking, and risk-taking challenges. It also helped me to work in a set team and take leadership between my peers. The program allowed me to gain self-confidence when facing challenges. Communication In my previous year, I had joined the debating club which granted me the ability to persuade and communicate in a sophisticated way to an audience. The program improved my communications skill when talking to my peers and also gave me self-confidence when talking with large group of people.

#### **Computer scholarship**

I have good knowledge in computer skill, as I took Computer Science for three years and know how to code HTML, Python, CSS. I also learned about Designing websites and creating and organizing Databases. I had used these skills in order to do my computer scholarship where I had created a fully functioning website on which you can online bank and create an account.

<http://qmb.co.nz/> - The website I had created for this project.

### **Work History**

Wizkids, 8 Mount Eden Rd, Grafton, Auckland 1023 and Wesley Community Centre 740 Sandringham Road Extn., Mount Roskill, Mt Roskill 1041

<https://www.wizkids.co.nz/>

8/01/2018 – 26/01/2018

8/07/2019 – 18/07/2019

Wizkids is a holiday workshop which offers wide range of course for children between the ages of 6-13. I have worked voluntary to gain experience, from 8.30am to 5.00pm every day.

Responsibilities at work:

- Taking care of 8-12 children every day, some who have ADHT as well as disabled children
- Teaching children how to code, animate, make a website and also assembling and coding robots
- Taking responsibility of the safety of the children at all time
- Having fun with the children outside and play games indoors when the weather outside is appalling
- At the end of the day giving the parents of the children a rundown of what their child has achieved throughout the day.

### **Education**

I graduated high school, with a Merit endorsement at NCEA Level 3 in 2017.

I was accepted into Bachelor of Engineering Honors in 2018. I found engineering very boring after one year of study and decided to change my degree. I then transferred to the computer science, as I found programming very fun and I always had a lot of interest towards Software Development, Machine learning and AI. Currently I am in my second year of Bachelor of Science majoring in computer science at University Of Auckland and know how to program in C#, MATLAB, java and python.

### **Interests and Hobbies**

I play Football and Tennis on my school team and Tennis for a club, I have interests in sports and love playing both of them. I liked to enjoy moments with my friends outdoors like going to the restaurants and movies together. I am interested in Chemistry, Physics, Calculus and of course programming.

### **Referees**

**Referee 1:** Srinivas Jasti,

**Relationship:** Father

**Occupation:** Supply and Demand

**Phone:** 096204999

**Mobile:** 0212357940

**Email:** jasti18@gmail.com

**Address:** 1/33 Somerset road, Mt Roskill, Auckland City 1041, New Zealand

**Referee 2:** Anu Goel,

**Relationship:** previous employer

**Occupation:** Teacher

**Mobile:** 0212161099

**Email:** [admin@wizkids.co.nz](mailto:admin@wizkids.co.nz)
