

TO WHOM IT MAY CONCERN

This is to certify that “**Nipun Jasti**” has worked as a Volunteer Assistant for WIZKIDS Technology Holiday workshops during January 2018 school holidays. The workshops included topics such as CODING, WEB DESG., ROBOTICS, MATHSCRAFT, etc. The jobs included supervising children aged 6-13, helping them through the learning, helping in setting up and winding up the technology workshops. I have come to see Nipun as a bright, personable, energetic, and mature person with a concrete, ongoing, well-rooted interest in teaching. In short, it is clear to me that Nipun is and will continue to be devoted to the work, he is assigned to. His work ethic reminds me very much of my own, and I respect what he has done for WIZKIDS. Thus, I recommend him highly. We thank Nipun for his services and wish him best for his studies.

Yours sincerely

Anu Goel

Director

WIZKIDS Learning Centre
